Point		Action By When / Whom
1)	<p>Are we ready for the Season? It was decided that we did not have the scoresheets from the BVA – the committee would Email the BVA for these. We also need to buy a Ball Pressure Gauge. As the Match net is now the only net to fit the new posts the committee will investigate a) A new headline for the old net or b) A new net.</p>	<p>JM. AB. AB</p>
2)	<p>Issues, A number of issues had been raised since the start of the Indoor training sessions, these were aired and discussed. We will send out a club Email asking that members turn up on time to start at 7pm on Wednesdays & 18.45 on Fridays and participate in all parts of the session including the warm up. A club register is required of current members and attendees at training sessions to assist in the collection of monies.</p>	<p>AB JE</p>
3)	<p>Membership Form / Payments, Not many membership forms appear to have been handed back to the Secretary yet. These are required at the start of each season; need to check that we have one form for each member.</p>	<p>JE & AD</p>
4)	<p>Youth / juniors, although we as a club are not setting up a junior section or youth development program yet, it has been agreed that under 16's may attend the Wednesday training session under the following stipulations. a) Must be accompanied by a parent or guardian.</p>	

	<p>b) Must sign medical disclaimer.</p> <p>c) Final decision rests with Club Coach</p>	<p>EM</p> <p>JM</p>
5)	<p>CRB, after discussion with the EVA it appears that previous CRB checks do not count and although they are not a legal requirement they act as a good back up / insurance and they will be required by the EVA as part of Volley 123. We have 10 CRB applications for those who wish to be CRB checked.</p>	<p>ALL</p>
6)	<p>Funding, Grants & Sponsorship, Congratulations to Elise for securing a grant from Basingstoke Council, we need to investigate more options for funding and sponsorship to secure the financial standing of the club</p>	
7)	<p>Social Events,</p>	
8)	<p>Club Posters / Everest,</p>
